Megalab™

CHOOSING THE RIGHT PRODUCTS. In developing the correct program of products, soil and tissue analysis should always be used to help make decisions on product application. The MEGALAB™ program transforms nutrient analysis results into practical, cost effective recommendations.

The MEGALAB™ network now extends across the United States providing customized interpretation and advice. MEGALAB™.net is accessible over the internet 24 hours a day, 365 days a year providing the ultimate in customer service based analysis.
